

# Create a Spinner!

Create the two spinners below according to the directions for each.

1. It will be IMPOSSIBLE for the spinner to land on red.
2. The spinner will MOST LIKELY land on green.
3. It will be UNLIKELY that the spinner will land on yellow.

1. The spinner will have an EQUAL CHANCE of landing on purple and red.
2. It will be IMPOSSIBLE for the spinner to land on green.
3. It will be UNLIKELY that the spinner will land on blue.
